

The Plymouth School District has established collaborative agreements with the following agencies to provide the opportunity for four-year-old children to attend a school-sponsored 4K program and receive quality childcare services on site to reduce transitions.

All of the programs offer:

- ***A licensed early childhood teacher***
- ***A researched based developmentally appropriate curriculum***
- ***An emphasis on early literacy and math skills***
- ***Nutritious meals and snacks***

Please read further for information regarding each agency...

Berry Branch Childcare:

Berry Branch Childcare is a component of Community Education overseen by the Plymouth School District. It is offered within the schoolhouse walls of each elementary school with sufficient enrollment in the program. Berry Branch is licensed by the State of Wisconsin and all staff members meet state educational requirements.

Benefits of the Berry Branch/4K option:

- Childcare services are available before and after 4K from 6:00a.m. to 6:00p.m. Monday through Friday in addition to days when 4K is not in session - including summer.
- The student teacher ratio is 10 to 1, or better.
- Busing may be available within the school district guidelines.
- We emphasize that our childcare benefits families by providing quality childcare partnered with a strong educational environment – all under one roof! *Berry Branch is a great place to be!*

Please contact Karyn Haun, at 892-6922, for more information or to schedule a visit.

Growing Generations Childcare at Generations:

Growing Generations Childcare, located in the Generations Building at 1500 Douglas Drive. Growing Generations is licensed by the State of Wisconsin, and has earned a **prestigious 4 STAR rating in Youngstar** and all staff members meet state educational requirements.

Benefits of the Growing Generations/ 4K option:

- Childcare services are available before and after 4K from 5:30a.m. to 6:00p.m. Monday through Friday in addition to days when 4K is not in session - including summer.
- Bright beautiful environment to learn, play and grow.
- We emphasize that our childcare benefits children by providing quality childcare partnered with the opportunity to participate in inter-generational programs.

Please contact Meg Lee or Patti Dobas, at 892-4999, for more information or to schedule a visit.

Head Start at Generations:

Head Start is located in the Generations Building at 1500 Douglas Drive. This partnership allows your child to receive a full day of **FREE** kindergarten 4 days a week from 8:30-3:30. Head Start is licensed by the State of Wisconsin.

Benefits of the Head Start/4K option:

- Family development services such as identifying family needs, setting family and individual goals, connecting families to community resources, and providing parenting, health, dental, and other requested information as needed.
- Monthly family activities are offered on-site
- Busing is provided in most cases
