Mike Slagle, Athletic Director

Athletic Department

Dear Plymouth Sports Fans,

As we near the start of a new school year and the beginning of the fall sports season Plymouth High School will again be offering both an adult and a student athletic pass. This pass will entitle the cardholder admission to all home athletic events, with the exception of WIAA tournament event series. The cost of the adult pass will be \$20.00. The student pass will be for those students who are not enrolled at Plymouth High School or Riverview Middle School. The cost of the student pass is \$10.00. The passes can be purchased in the Plymouth High School office.

Again this year, the schools of the Eastern Wisconsin Conference (EWC) will offer a conference admission card. This admission card is a punch card that will entitle you to 20 conference events. The cost of the card is \$30.00. This is a savings of \$30.00. The card may be used in the following ways:

1. At any home or away EWC game where admission is charged. (All sports seasons included)
2. Multiple people may use the card – one punch per person per admission.
3. Card may be carried over from year to year.

Participating Schools of the EWC are printed on the card. Schools outside of the EWC will not honor this card. Cards will not be honored for WIAA tournament games. Advantages in purchasing this pass will be: no waiting in lines to purchase game tickets; saving of 50% over normal admissions; and proceeds from the purchase go to the school where the card is purchased.

You do the math! Admission prices for EWC games will remain \$3.00 for adults and \$2.00 for students. If you attend only home games, your best bet is to purchase a Plymouth Pass. If you like to go on the road to watch games, purchase an EWC card. If you have an athlete in the family and would like to follow all home and away events, you may want to purchase both cards.

Cards may be purchased at the Plymouth High School Office or home games. Cards will be on sale at orientation evenings.
