

6th Grade Band Equipment List

Dear 6th Grade Parents,

As the school year approaches I wanted to send out a reminder that all students who want to participate in Beginning Band (6th Grade Band) this year must purchase an instrument care package through Dreams Unlimited regardless of if you have or are renting an instrument. The care package is a **MANDATORY** purchase for **ALL BAND STUDENTS**. Each instrument has a specific care package; please refer to the form your son or daughter brought home that tells you what their instrument is for this upcoming year. The package includes the necessary equipment all students need to take care of their instruments, mouthpieces and reeds for playing, as well as the **BOOK** we are using in class everyday. **Students must have at least the care package equipment and book on the FIRST DAY of school**. Please purchase these as soon as possible; supplies have run out in the past and it takes a while before more books/equipment comes in.

As far as instruments, I want to encourage you to rent your instrument through Dreams Unlimited. While it may be more money, this guarantees that you will always have a working and quality beginning instrument. The biggest hindrance on a student's growth is the quality of their instrument. **All students must have an instrument, or be in the process of acquiring an instrument by the first week of school.** Without an instrument, students will not be able to fully participate in Band, and the more time without an instrument will place a beginning student at a serious disadvantage.

Please email or call me if you have any questions. I am looking forward to another great and successful year of Band here at Riverview!

Best,

Zachary H. Geller □
