Transportation is limited to no more than two (2) locations (including the home residence) and must be within the school's attendance area unless approved by the school principal. Requests for changes in pick-up or drop-off location will be considered based on space availability and on a first-come, first-serve basis. Routes will not be extended or altered to accommodate requests. The request must be made by the parent/guardian, not the daycare provider. Please refer to Board Policy #8600 regarding the use of video and audio surveillance during transportation.
