Dear Parent/Guardian:

We wish to emphasize that the Plymouth School District **does not provide** any type of health or accident insurance for injuries incurred by your child while at school.

Since children are particularly susceptible to injuries, we encourage you to review your present health and accident insurance program to determine if your coverage is adequate. If you do not feel your insurance is adequate because of a deductible or co-insurance clause, or if you do not have insurance, we encourage you to review the student insurance program. This plan will provide benefits for medical expenses incurred because of an accident. An explanation of the cost and benefits is explained on the premium envelope.

The program is underwritten by Security Life Insurance Company of America located in Minnetonka, MN and administered by Student Assurance Services, Inc. of Stillwater, MN.

In making application for this coverage, please read the envelope explaining the coverage carefully. The following instructions apply:

1. Print names, addresses and other information clearly.
2. Enclose a check or money order made payable to STUDENT ASSURANCE SERVICES, INC.
3. Print the student(s) name(s) on the face of the check.
4. Detach and retain the summary of coverage and send the envelope to:
Student Assurance Services, Inc.,
PO BOX 196
Stillwater, MN 55082-0196
5. Coverage does not become effective until the premium is received by Student Assurance Services, Inc., **DO NOT SEND THE ENVELOPE BACK TO YOUR SCHOOL.**
6. Please direct all questions regarding coverage to:
