PHYSICAL EDUCATION CLASS-Mrs. Vetter

- *A separate pair of clean (but not necessarily new) gym shoes to help keep dirt off the gym floor and safer from accidents.
- *Grade Kindergarten and First – If students cannot tie laces, they need Velcro strap shoes.
- *Grade 1-4 – Students need shoes that lace tightly. (Wal-Mart and other stores are selling gym shoes with a felt-like bottom. These bottoms create a very slippery gym experience that can be quite dangerous. Please DO NOT purchase this type of gym shoe.)
