

PSAT/NMSQT at PHS

Juniors and Sophomores have the opportunity to take part in the PSAT/NMSQT on Wednesday, October 16, 2019 from 7:30am to 11:30am in the Plymouth High School Library. The PSAT/NMSQT is great practice for any college entrance exam. Students receive scores in verbal reading, math reasoning and writing, and will see how their scores compare to other students across the country. Juniors who take the test will have the opportunity to enter National Merit Scholarship Corporation competition.

The cost of the PSAT is \$17.00. Students should sign up, with their \$17.00, in the PHS counseling office by Tuesday, September 17th to guarantee a spot. Students who sign up after September 17th, will be able to sign up until all available spots are taken.
