

We offer year-round care for children from 6 weeks old through 4th grade on site at Plymouth elementary schools. Our nurturing and enriching programs are monitored by the State of Wisconsin.

Program Features

Meals

We believe meal time is an opportunity for socialization. Our staff prepares a nutritious breakfast & snacks, and the Plymouth School District Food Service program provides lunch during the school year.

Nourish

We partner with Nourish Farms weekly for nutritious snacks and educational fun with local produce.

Homework Club

After a snack and a bit of recreation, Extra Mile students can choose to practice math facts, work on homework, study for a test, or read aloud. A high school student supervises Homework Club in a quiet corner.

Additional Opportunities

Fantastic Fridays

Fantastic Fridays are fun outings on no-school days. Supervision is provided by child-care workers and Youth Center staff, but the events are open to all area students in 4K through 8th grade. Outings generally run 9am-3:30pm, with care available 6am-6pm at no additional charge. Destinations have included Blue Harbor Waterpark, Miller Park, Discovery World, & EAA Aviation Museum.

Squiggles & Wiggles

This morning preschool program coincides with Plymouth Summer School. It gives potty-trained children ages 3 and 4 a taste of school taught by child-care staff with years of experience.

Youth Center

The Youth Center is available for students in grades 5-8. Located next to Riverview Middle School, the center is open after school until 5pm with at least one adult present at all times.
