

Pay It Forward

The Plymouth Education Foundation announced its second ever Pay It Forward PHS Alumni Class Challenge and raised \$2234.78 to benefit current and future students in the Plymouth School District.

“It was exciting to see PHS alumni reconnect, reminisce, and rally during the 20 day challenge to make a difference for students now and into the future,” said Andrea Schultz, foundation executive director. “We are grateful to the many alumni who showed their positive panther pride,” said Schultz.

“The foundation received donations from 38 donors,” said Schultz. “PHS Class of 1977 led the way this year and we hope to continue making this a fun school spirit, biennial challenge,” Schultz said. The PHS class(es) with the most money raised and highest participation rate won the challenge.

All donors to the foundation have the opportunity to designate where they wanted their donations to be used: area of greatest need; capital project(s); grants (impacting students k-12 in the district in the areas of academic enrichment, extracurricular activities, professional development and connecting students with their futures and community); and/or scholarships (for graduating seniors pursuing higher educations at 4 year colleges/universities and 2 year technical schools).

“Thank you again, Alumni. It is evident panther pride is strong in the Plymouth community,” Schultz added.

PHS Class of 1977 won the PHS ALUMNI CLASS CHALLENGE to PAY IT FORWARD. Class of '77 had the highest donor participation rate and raised the most money with alumni making a donation in honor of their class!

Pay It Forward Donor Honor Roll

THANK YOU FOR YOUR SUPPORT!
