PLYMOUTH EDUCATION FOUNDATION

Enhancing The Experience.

The Plymouth Education Foundation supports the community's value on continuing education by sustaining and enhancing its Scholarship Program. Each year approximately 20 PHS graduating seniors receive a Foundation administered scholarship donated by area individuals, businesses and organizations wishing to recognize them for their accomplishments and help them pursue a post-secondary education. The Foundation's scholarship committee matches recipients to the specific criteria of its donors. Recipients show a commitment to their education, a sincere desire to serve others, and/or the ability to overcome challenges in an effort to reach personal goals.

Over the past 25 years, the Plymouth Education Foundation has administered over \$500,000 in merit and need-based scholarships to students planning to attend either a university or technical school.

The Plymouth Education Foundation makes it easy for individuals, businesses, or organizations to sponsor a scholarship. Donors supply their criteria and the Foundation's scholarships committee selects the recipient(s) on the donors' behalf. Plymouth Education Foundation Scholarship Fund donors are recognized each May at the Scholarships Awards Night held at Plymouth High School. Donors have the option to present the scholarship in person or have the Foundation present the scholarship on their behalf.

Making a donation to the Plymouth Education Foundation Scholarship Fund is an investment in the future of our community and an excellent way to honor an individual, business, or organization.

The Plymouth Education Foundation is a 501(c)3 organization, making donations tax deductible.
