

# PHS Class Reunion Guide

Thank you for organizing a PHS class reunion! We value our alumni, and are glad you are helping to keep them connected.

## Setting a date

Class reunions increasingly are being held during PHS Homecoming in the fall. Homecoming usually is in late September or early October; the exact date is set early in the year. Homecoming 2016 will be Friday, Oct. 7, with a parade through downtown at 4 p.m., followed by a brat fry at the school and the football game at 7 p.m. Alumni are encouraged to participate in the parade, and reunion classes can be recognized during halftime.

## Selecting a venue

One option is the Riverview cafeteria, part of a beautiful addition to what was PHS until 1966 (please note that alcohol is not allowed on school grounds). Other options include area banquet halls, restaurants, taverns and park shelters; the Plymouth Chamber of Commerce can help find a suitable location. (893-0079 or toll-free at 888-693-8263, [plymouthchamber@frontier.com](mailto:plymouthchamber@frontier.com))

## Touring Plymouth High School

Many reunions include a tour of Plymouth High School (and/or Riverview Middle School for those who graduated before 1967). PHS tours can include the new LTC-Plymouth Science & Technology Center and the Food Science & Agriculture Center.

## Contacting classmates

The Plymouth Education Foundation has email addresses for some alumni, and encourages reunion organizers to share updated contact information after reunions in the form of Excel spreadsheets. The foundation communicates with PHS alumni primarily via email, along with the Foundation's Facebook page at <https://www.facebook.com/plymouthedfoundation>.

Other ways to reach classmates:

- You may borrow classmate index cards covering the classes of 1955 through 2002.
- We will post reunion details on the district and Foundation websites, and the district will include reunion information in its weekly e-newsletter.
- The local newspapers usually will run a class reunion notice for free as a news brief.

## Questions?
