Features:

- Links to new articles on district website
- Upcoming events calendar

Note: Community Ed & Rec has an e-letter, too!

Online Friday Folders

Thank you for helping the district and its partners save thousands of pieces of paper each week by downloading fliers and handouts from this site!

School-related groups and nonprofit organizations in our community are encouraged to share information about programs and events of interest to students and their families.

Fliers should be received by noon Thursday for posting the next day to allow time for review. [Click here](#) to submit a flier.

This site is updated by 3 p.m. each Friday so that families can access information through the weekend or at any time that is convenient for them.

Organizations can continue to send paper copies of fliers home in elementary school Friday Folders by taking them to the individual school offices as in the past. Please contact each school's office for the number of copies to be provided.

Please note: Most of the documents below are PDFs. [Click here](#) for instructions on how to install the latest version of the free Adobe Reader.
