

2026-27 Fairview Fall Parent/Teacher Conference Scheduling

Please click on the link attached to your child's teacher to bring you to their specific Google Calendar for conferences. Teachers may have already sent you the link in their Seesaw or SchoolStatus Connect page.

You will find available appointment times when you click on Thursday, October 15th and Tuesday, October 20th from 4pm-7pm. Each conference will be 15 minutes long.

Make sure your Google Calendar is set to the correct time zone ("Central Time - Chicago")

When you are in the teacher's specific Google Calendar link, click on the time slot that you would like to book, then enter the requested information, including your child's name. Be sure to click the "book" button to officially lock in your appointment (a confirmation should pop up and be sent to the email address you provided).

As appointments are booked, those time slots are no longer available to others in order to avoid double-booking. If the times available do not work for you, please reach out to your child's teacher. If you would like to connect with another specialist at Fairview during parent-teacher conferences, please reach out to them directly (Example: PE, music, art, counseling, etc.).

If you have multiple children at Fairview, please be sure to schedule separate conferences with all of your children's teachers at separate times.
