	Tyler Gruett (tgruett@plymouth.k12.wi.us)	???????	(@plymouth.k12.wi.us)

Need to Knows:

- Students in grades 7-8 are welcome to participate.
- Practice begins April 3rd, 2023 and generally goes 3-4:30pm and generally will be held at the High School. Students can ride the bus from Riverview at the end of the day and change in the bathrooms at the HS. They are dismissed from the HS track daily (there is no return bus).
- Athletes must practice twice a week to be eligible for the meets and should be there the day previous the meet-if athletes are unexcused from practice they may miss meets
- If an athlete needs to miss a practice the parent needs to notify one of the coaches before the start of practice that day for it to be considered excused
- Please turn in all forms and fees to be able to participate. These include the following:
 - ✓ **Physical Form** or Alternate Physical Form
 - ✓ Concussion Form
 - ✓ Emergency Contact Form
 - ✓ Fees (\$20 per sport)
 - ✓ **Please register with Community Education ASAP!**
- Always have Sweatpants, Sweatshirts, Hats, Gloves, etc... on hand for practices and meets to stay warm on cool days
- If a practice or meet is canceled due to weather, students will be notified before the end of the school day (by 2:30pm). Students will then be expected to relay that to parents.
- If a parent wants their child to ride home with them from an away meet, the parent has to fill out the Athlete Transportation Form this will be in a white binder in an orange bag at the meets, the athletes will know where it is
- Bring your own water and water bottle or gatorade for practices and meets
- Pack healthy items to eat on meet days for after school such as, fresh fruits, vegetables, peanut butter sandwiches, etc...
- Come to practices with a positive attitude and willingness to participate!
- Track is a team sport, students may be put into events they did not initially want to do, but would overall help the teams performance. We grow the most from new experiences and doing things that challenge us
- If you have any questions, please contact one of the coaches.

Thank you!

Coaches: **Kamie Gritt** (kgritt@plymouth.k12.wi.us)
 Tyler Gruett (tgruett@plymouth.k12.wi.us)
