

HELP ...We need young children to help teach the skills of babysitting!!

Summer School 2024

Again this summer - Babysitter's Training class. Students in grades 5-9 will have the opportunity to learn babysitting skills during summer school. In order to enhance this learning opportunity, we need children for the students to supervise as they gain hands-on experience of working with small children.

We are **seeking children age two through six** to join our babysitting class at no cost. Children will have adult supervision at all times in addition to student-structured activity from 8:00 am—11:30 am, Monday through Thursday. Starting June 17th—July 18th.

- All children must be completely toilet trained.
- Alternative daily schedules can be arranged.
- Enrollment will be limited to 15 children per day.

NO BUSSING AVAILABLE

To register your child for this opportunity or to ask questions, please call Riverview Middle School at 892-4353
